**LEARNING
NEW THINGS
EVERY DAY**

The DACC Child Development Center is licensed by the State of Illinois to provide care for 65 children, ages 2-5. It serves as a Lab School for the early Childhood Education curriculum. Pupils attending are children of DACC students, those employed at the Veterans Administration Hospital, and the community at large. The center is in operation each school day from 6:45 a.m.-4:45 p.m..

The daily schedule includes many activities such as large and small group teachings are adapted to the child's age, and structured to each child's educational capacity.

The center has an outstanding program for the education and training of the child while the parent attends DACC or goes about the duties of the work-day world.

The 1982-83 edition of VARIETY is dedicated to the memory of Robert "Moon" Williams, whose love for his work and the students will long be remembered on campus.

VOLLEYBALL

It was not easy to put together a team for the 1982 Volleyball season at Danville Area Community College. It is a difficult task to attract students away from the demands of their studies and jobs and onto the courts two hours a day — everyday. Our disappointing record of 9 wins and 17 losses, 2 wins, and 5 losses in conference play, was not an indication of the abilities of our players. The 1982 Volleyball should be recommended for the sacrifices they had to make to play a sport that they love.

BACK ROW: Shelia Crawley, Patty Watson, Tina Chosmacki, Julie Penicook, Coach Judy Laker. FRONT ROW: Kalina Ingham, Paula Ingham, Deanna Gonzolez, Cindy Barham.

Co-Cap

Patty Watson

Sheila Crawley

Cindy Barham 5'5½" Spiker Westville, Freshman The only player who had just one year of high school volleyball: our most improved player, who performed at her mazimum at every game.

Sheila Crawley 5'7½" Spiker Rossville-Alvin, Sophomore Our strongest hitter and a good blocker. Honorable mention to the All-Conference team.

Tina Chojnacki 5'7" Setter/Spiker Pulaski High (Milwaukee, Wis.), Freshman. A well-rounded player who can set as well as hit. She is an outstanding server who led the team in points scored and "ace" serves.

Dee Gonzalez 5'2" Setter Rossville-Alvin, Sophomore Our most aggressive player on the floor. She was willing to sacrifice all to keep the ball in play.

Kalina Ingham 5'3" Defensive Back Georgetown, Sophomore Our best defensive player who subtituted in the back line to cover the hard hit spikes.

Paula Ingham 5'1" Setter Georgetown, Freshman A very good setter that led a major role in our offensive attack; she was also our second leading server.

Julie Penicook 5'6½" spiker Wellington, Freshman Hampered by injuries early in the season but who made her contributions to the team. She was a good server who scored fifteen straight points, two of them aces, to defeat our opponent.

Patty Watson 5'4½" spiker/hitter Bismarck-Henning, Sophomore Our only natural hitting left-hander and a positive force of our team. She was named to the All-Conference Volleyball team of 1982.

The team placed second in the Region XXIV Golf Tournament. The team's stroke average was the second best average in the eighteen years that DACC has had a golf team.

The Jaguars were under the direction of first year Coach John Spezia. The Jaguars possibly playing one of the toughest schedules in the Midwest with no returning lettermen finished with a 6 and 22 record and 2 and 5 Conference record. The Jaguars were very competitive as they loss ten games by less than four points. The Jaguars highlights of the season was a third place finish in the pretigious Lincoln Trail Invitational and an upset of defending State Champion Ill. Central of Peoria. The Jaguars were led in scoring by Sophomores Kevin Thomas and Quinton Berry with eleven point a game averages, while Berry led in rebounding with an average of seven points a game. Freshman Brett Springer led the team in assists with an average of three points a game.

Early each fall, Cheerleaders are elected by members of the faculty, administration, coaching staff, and representatives of student organizations. Cheerleaders must carry at least 12 credit hours of college work and maintain a 2.5 cumulative grade point average in order to participate. Any DACC student who is interested in participating in the athletic program and in helping to encourage spirit and good sportsmanship is urged to try out for cheerleading.

The DACC Student Advisory Council is the representative agency of the student body. The SAC encourages students to support the student government by running for an Advisory Council position, by participating in voting, opinion polls, and by using the council to voice their opinions through the organizations available on campus. Part of the SAC duties are to sponsor activities for not only the campus students, but also for the community as well.

BLACK HISTORY MONTH OBSERVED

Choir Performs

Black History month was observed this past February with many interesting speeches and various types of entertainment.

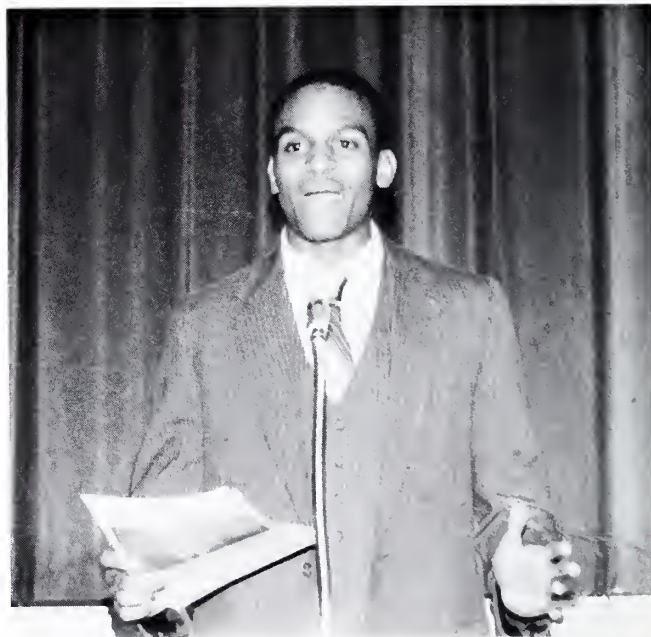

The kick off program was held on the first Sunday of the month with Dr. Ronald K. Lingle, President of DACC, welcoming the crowd. Mr. L. Ernest Blanden, dean of student services, then went on to introduce Iman Bashir Ali of the American Muslim Mission Center of Danville. Mr. Ali spoke on "Academic Excellence and Social Responsibility".

Over the next two weeks, five well-respected speakers shared their knowledge and views on the various topics concerning the black community today. These included: Otis Hillsman, executive director of the Vermilion County Citizens Action Program, with his talk on "Blacks and the Economy", and, Reg Weaver, president of the Illinois Education Association and a Danville native, gave his views in a speech entitled, "Black Educator's Perspective on American Society". Also included in the month's activities were director and secretary-treasurer of the IEA and president of the DACC-EA, gave an excellent presentation of the "Introduction to Afro-American Literature", and Wence Cunningham, director of the Human Resources Commission in Danville, reassured us with a talk about "Affirmative Action, A Tool to Redress Employment Discrimination". The speakers wrapped up near the end of the month with Mr. Ali speaking once more on "Social Problems and the Black Community".

Black History month concluded with a concert given in the DACC theater on the 26th of February. Performing were THE PURDUE BLACK VOICES OF INSPIRATION. The choir, composed of about 70 students, is dedicated to the performance of sacred anthemic hymns by black composers and traditional and contemporary spiritual and gospel music from the black heritage. Mr. Stanley Butts was the director of this terrific sounding choir.

The 1982-83 VARIETY staff wishes to express deep appreciation to everyone who contributed their time and effort toward helping us get off to a new beginning. A special thank you is extended to the Office of College Relations and to the Campus Courier for the use of many pictures used throughout the yearbook. We would also like to thank the Student Advisory Council who sponsored us, for without their support this yearbook would not have been possible.
